HARSH KATARIA

Front-end Devloper

+919106743801
harshkataria1407@gmail.com
Surat, Gujarat, India
14 july 1999

Passionate and enthusiastic front-end developer eager to embark on a fulfilling career in web development, I bring a strong foundation in front-end technologies and a thirst for learning and growth, I gained expertise in HTML, CSS, and JavaScript, Allowing me to build the foundation for creating visually appealing and responsive websites. I am excited to leverage my knowledge to bring ideas to life and create seamless user experiences, Collaboration and teamwork are key components of my work philosophy, I enjoy working closely with designers, back-end developers, and other stakeholders to understand project requirements into results, I am a strong believer in open communication and believe that the best ideas are often born from collective collaboration.
